

Embily Payment Platform Is Looking for a New Face for a Virtual Robot Assistant for Its Service Desk

The Embily Payment Platform, a platform for convenient and safe exchange of cryptocurrency in real time, is looking for a "kind and friendly" face for its new project - a virtual robot-assistant in the online service desk.

Our project includes an application with a personal account and a bank card, which you can use to exchange cryptocurrency and make daily payments. We are improving our service, and to boost positive perception of our services, we are on the lookout for a person who would become the prototype for a virtual robot assistant in the online office

Requirements:

Age: 20-40 years

Gender: Male

Race: Does not matter

Description: The candidate must have a "kind and friendly" face

Our project includes an application with a personal account and a bank card, which you can use to exchange cryptocurrency and make daily payments. We are improving our service, to boost the positive perception of our services. With this in mind, we are looking for a person who could become the prototype for a virtual robot assistant in our online office

If you are selected, you need to be prepared for the following things:

1. We will build a 3D model of your face
2. We we will build a 3D model of your body
3. You will have to dictate at least 100 hours of speech, so we can copy your voice
4. You will have to sign a license agreement which would allow us to use your appearance and voice indefinitely

The contract fee is £150,000. Your appearance will be licensed indefinitely and owned by the company.

The new online service desk will start operating in 2023 and the person's face will become the face of our company online. If you wish to participate, you will need to fill out the following questionnaire and send it to our email - info@embily.com:

1. Name
2. Gender
3. Age
4. Country of origin
5. By filling out this form, I agree to have my personal information processed
6. By filling out this form, I agree that if chosen, I will have no future complaints towards the company
